4. PJSC "Myronivsky Hliboproduct" is the leading Ukrainian agro-industrial company. Founded in 1998, the company primarily focuses on rearing chickens as well as producing and selling high-quality chicken products. MHP is truly vertically-oriented company. In its determination to become self-sufficient the company grows its own grain to supply its fodder mills; produces feed for its two breeder and five chicken farms. Our production facilities are certified by SGS according to FSSC 22000:2005 and ISO 9001:2008. Company has HALAL Certificate, which proves the production of poultry meat according to Islamic traditions.
MHP also has a leading grain cultivation business growing corn to support the vertical integration of its chicken production and increasingly other grains, such as wheat and rape, for sale to third parties. MHP leases agricultural land located primary in the highly fertile black soil regions of Ukraine.
5. MHP exports frozen chicken and chicken cuts, cooked chicken products, goose meat and goose fatty liver (foie gras). Its main markets for frozen chicken are EU, CIS, Middle East, Gulf, Africa and Eastern Asia.
6. MHP is interested in developing its sales on the following territories:
 - European Union (cooked chicken products, goose meat and foie gras);
 - Middle East, North, West and East Africa, Gulf, Eastern Asia (frozen chicken and chicken cuts, foie gras and cooked chicken products).
