

As of 23.06.2025, according to the Mission of the President of Ukraine in the Autonomous Republic of Crimea there are 221 Crimean political prisoners, including 133 Crimean Tatars.

Unfortunately, we are unable to send letters to all of them due to the peculiarities and rules of their detention. Therefore the list of recipients is shorter than the total list of political prisoners. We want as many of your letters as possible to reach their recipients.
